If you would like to keep up with our latest podcasts and games you can follow us. Once you have completed the following steps the Hangouts Chat app will open: Open the Hangouts Chat app on your smartphone Click the chat button in the top right corner. A window will open and will ask you to select one of your devices. Click the "Sign In with Google" button. Press "Next" to complete the sign in process. You may sign in with other Google accounts, but in order to use the chat feature you will need to sign in using your main Google account (for example Google.tv) or a different account that you have setup for chat use with Google. For more information about chat sign in visit. Join us in chat. This is an application service.Cerebral infarction and peripheral vascular disease in type II diabetes mellitus. Type II diabetes mellitus is a major risk factor for stroke. However, there is little consensus as to the relative contribution of atherosclerosis of the aorta, large- and medium-sized arterioles and small arterioles to the pathogenesis of cerebral infarction in patients with type II diabetes mellitus. In the present study, we found that the frequency of multiple vascular lesions ( $\geq 2$  sites) increased significantly in type II diabetic patients with cerebral infarction. In the group of diabetic patients, the frequency of a large- or medium-sized arteriole stenosis was significantly 82157476af
